JURY BOX FILLED, BRYAN, ASKED RECOUNT TRIAL IF HE WILL WIN. IS UNDER WAY

Technical Error of Mayor's Thinks if Roman Knew Inter-Lawyer Corrected in Court by Judge.

JACKSON OPENS CASE. TAFT BRINGS BOOM TOO

He Makes a General Charge But Both Declare They Are of Fraud in Every City Election District.

The jury to try the case between Mayor McClellan and Claimant Hearst of New York to-day is not an atmos-Hundred and Second street, for foreman three Presidential bees, working over in place of Mr. Masten, and E. Leroy time and simultaneously. Cleveland, a Washington Heights real estate dealer, living at No. 355 West new keynote" in his campaign when he One Hundred and Forty-fourth street,

Eugene Lamb Richards, of counsel for McClellan, then presented the Mayor's

own certificate of election and his oath Free the Election law as applied to the (gall) is divided into three parts?' Former Deputy Attorney - General

Polsen, now employed with Clarence J. Shearn, special counsel to the Attorney-General, moved that inasmuch as McClellan had not asserted affirmatively in his answer his title to the office of Mayor judgment be entered ousting him from office.

Justice Lambert, of his own motion. allowed an amendment of the answer. correcting this technical defect, and denied the motion. Attorney-General Jackson opened the

case for the people. He said that it was charged that there were fraudulent ballots in every coaster. election district. There were 1.940 diswith election boards made up exclusively of Democrats and Republicans, and Mr. Hearst, an independent candidate, was forced to depend entirely upon watchers for a fair vote and a fair count of the votes; that a change of one vote in each election district would reverse the 3,474 plurality of Mc-Ciellan on the face of the returns.

fact that there were 40,000 election officials at that election, and the complaint was a blanket accusation of fraud and incompetence against every one of those

40.000.

Deputy City Clerk D. W. F. McCovne was called as the first witness, but merely to identif and certify to the correctness of McClennan's certificate.

John R. Voorhis, President of the Board of Elections, was the next witness, and he was closely questioned by Mr. Dolson regarding the method of receiving returns from the election inspectors and as to the preservation of the ballots in the ballot boxes involute during the two and one-half years since the election of 1905.
